Fairey Overdrive	1	*NLA 2839

Unfortunately, the legendary Fairey Overdrives are out of manufacture once again until further notice. Built specifically for Land Rover Series engines, the Fairey Overdrive bolts onto the PTO in your transfer case to provide both better high-end and low-end RPM performance (and reduced wear and tear on your engine) as well as improved speed and fuel economy.

*NLA = No longer available.

TRANSMISSION & TRANSFER BOX

Description	Qty	Part #
TRANSMISSION
